

Habeas Corpus From Court

A Bay St. Louis couple has filed petition for a writ of habeas corpus in federal court at Biloxi, Miss., claiming that their civil rights have been violated.

The petitioners are Carl E. and Mary Johnson, who are confined in Hancock County jail and who wrote the petition in printed handwriting. The petition was filed Tuesday morning.

The Johnsons alleged that Hancock County Sheriff Gerald V. Price Sr. and several deputy sheriffs entered Mary's Cotton Club about five miles west of Bay St. Louis on Feb. 10, 1961, and searched the premises, which were leased to the Johnsons, without benefit of a search warrant. They further alleged that their persons were also searched.

Following the search, the Johnsons state, they were taken to Hancock County jail, then Carl Johnson was returned to the club, where a second search, also without a search warrant, was made, the petition alleges.

The Johnsons also allege that on Feb. 13, without prior knowledge of the charges, they were taken before Justice of the Peace N. C. Rhodes where Carl was charged with operating a house of prostitution and contributing to the delinquency of a minor.

Johnson claims that he attempted to gain a continuance to prepare a defense but this was refused.

Rev. Kevin Reid opened the meeting with prayer. Mrs. Piazza thanked all who helped with the Veterans parties and announced that the West Coast Cemetery Christmas party will be held at 1:30 p.m., December 18 at the Veterans Hospital in Gulfport.

James Marion Beal and J. P. Caniche volunteered to take charge of arrangements and all members were asked to assist. Mrs. Stella Gex, chairman, reported on the turkey dinner and thanked all who helped make it a success.

Many lovely handmade and purchased articles suitable for gifts are on sale.

Johnson claims that he was found guilty of the two charges and sentenced to two six-month terms, to run consecutively, and fines totaling \$750. The petition alleges that Mary Johnson was sentenced to consecutive sentences of three and six months and fines totaling \$500.

The Johnsons further claim that, on Mar. 29, Carl was convicted of attempting to break jail and was sentenced to two years in county jail. The conviction was in the circuit court of the county.

The Johnsons allege that their confinements are illegal and unlawful and that the state courts have repeatedly ignored writs by the petitioners, alleging violations of their civil rights.

Deputy Sheriff Gerald Price Jr. said that the Johnsons had twice filed petitions for writ of habeas Corpus in state courts and these were heard by Circuit Judge Leslie Grant, who denied the petitions.

The Gulf Coast area is rapidly becoming one of the major "making drive" into space.

That's what Dr. Robert C. Seamans Jr., top manager of all National Aeronautics and Space Administration projects, said Monday night in an address to the Chamber of Commerce of the New Orleans Area during its annual banquet at the Roosevelt Hotel.

Commenting on the state testing site in Hancock County area, Dr. Seamans said it represented another expenditure of more than half a billion dollars.

He said NASA expects to announce selection "in a short time" of a second contractor who will build at Michoud the first stage of the advanced model of Saturn, the S-1B.

"If we use the direct ascent approach for manned Lunar landing, we shall have to build a launch vehicle twice again as large as this advanced version of the Saturn. No detailed specifications have been established, but we are planning a vehicle which we have named the Nova in the neighborhood of 350 feet tall. The Nova would be about as tall as the Hibernia National Bank building," he said.

Dr. Seamans said the launching and test facilities for the Nova will be even larger. "Even the Michoud plant, as large as it is, will require an extensive and high bay area for fabrication of the stages of Nova," he added.

He also said that regardless of what system is used for manned lunar landing, the direct ascent approach or the rendezvous technique, "New Orleans will still have a significant role in the space program. New Orleans is going to be very busy building boosters, a billion dollars worth."

He said NASA has ideas of what Russia may do within the next five years, and no particular event will affect the U. S. program.

LETTERS

Wednesday, December 6, 1961

Sir:

May I say a good word for the much abused teenager?

One night last week four very polite young teenagers came by on a scavenger hunt. Among the items they were seeking was an old license plate, which I gave them with the request that they please return it. They not only took the trouble to return it, but on the porch the next morning I found, with the license plate, a package of cookies to boot.

Thank you, youngsters, those thoughtful acts do not go unnoticed.

Mrs. R. L. Kemery
P. S. The cookies were good!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a cornerstone of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four great reasons why every person should attend services regularly and pay up the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs the moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Matthew	6	4-25
Monday	Matthew	6	16-25
Tuesday	Colossians	4	1-7
Wednesday	John	3	16-21
Thursday	John	3	1-15
Friday	Isaiah	26	7-12
Saturday	Isaiah	9	1-7

This little dog is confused. Many of us are in the same dilemma. What is Christmas, anyway? What does it mean? Do the fixed and decorations obscure the true meaning?

Christmas decorations, Christmas trees, Christmas gifts have their part in this greatest day of all the year, but back of them is the manger and the Christ Child, God's gift to mankind.

In the Church you will find the true spirit of Christmas in all its joy, beauty and serenity. The Wise Men will become so real you will follow the star with them. With the shepherds on the Judean hillside you will hear the song of angels. You will go to Bethlehem where you will kneel before the King. Knowing you will find the true meaning of Christmas.

Will you come?

The Divine Office Of The Kitchen

"Lord of all pots and pans and things, since I've no time to be a saint by doing lovely things, and watching love with thee, Or dreaming of the Dawning, or matching Heaven's gates."

Make me a saint by cleaning pans, and washing up the plates. Although I must have Martha's hands, I have a Mary mind.

And when I clean the boots and shoes, thy sandals Lord I find. I dream of how they trod the earth, what time I scrub the floor.

Forgive these meditations, Lord, I haven't time for more. Warm thou this kitchen with thy love, and light it with thy peace. Forgive me all my murmurings, and make my grumblings cease. Thou who didst love to give men food, in home or by the sea, Accept this service that I do, I do it unto thee."
